Practicing Attorneys - Reduced Fee Panel

You can join a panel of remarkable private attorneys who accept client referrals from us. You can tell us what areas you will consider accepting referrals and you will be asked before anything other than a full fee referral is directed to you, though we do hope our panel attorneys will consider taking some reduced fee and pro bono referrals. Reach out for more information.

Please contact us at **1-800-750-5353** if you would like to serve as a volunteer. Thank you in advance for using your skills to help elders in need!
